

**Furniture & Appliance
 Legs — Metal**

These *metal legs* are available in a variety of finishes such as: satin chrome (-SC), bright chrome (-CHR) and matte nickel (-MN)
 The satin chrome is a soft, brushed finish. The bright chrome is an attractive polished mirror finish. The matte nickel is a soft, brushed finish, similar to satin chrome but with slightly less lustre. Most have a *non-skid* rubber pad on the bottom of the leg.

METAL — LEGS (OVERVIEW TABLE)

P/N	LEG HT.	THREAD/ PLATE SZ.	WEIGHT (LB)
